

## **Peachtree City Dog Park Association**

A quorum was present and the meeting was called to order at 6:37 pm.

In attendance were Treasurer Maureen Kuebler, Secretary Rita Wilkinson, Director Susan Acosta, Paul Hives, Dan Akins and Steve Brown.

### **Old Business:**

1. Minutes from the May meeting were read and a motion made to approve those minutes carried.
2. Treasurer's Report:  
Total Deposits for May: \$639.05 Expenses \$358.75. Bank balance as of 5/31/2020: \$16,002.81. A motion made to approve the report unanimously carried.
3. Lower gazebo/pavilion has been pressure washed but the floor needs another round. We will investigate painters and are considering options for a new step up into the entrance.
4. New lighting fixtures have been installed in the shed.
5. Robinson & Son's is mowing every two weeks.

### **New Business:**

1. We need to purchase wood filler for carpenter bee damage, wasp and hornet spray and another garden rake.
2. Steve will trim the lower branches of several trees.
3. Dog fights: we discussed at length ways to handle patrons who are involved in dog fights and visitors who won't try to call off dogs that are annoying others. We will try to put some blurbs on our home page and facebook to guide them to handle it between themselves as well as what to watch for to try avoid issues. Although it is posted everywhere, we also plan to include in the thankyou for joining message that the dog park is not responsible for injuries that might occur during their visits and dog owners must work out issues between themselves. "Your dog is YOUR responsibility."
4. There are some ongoing issues with new member registration data being transferred into the database. Paul is working on finding and fixing it.
5. We discussed needing more large stones, 8" – 10", to abate erosion. These can be installed when trenches for the drainage pipes are dug.

Meeting Adjourned at 7:38 pm.
