

Peachtree City Dog Park

Hello and welcome to one of the best dog parks in the United States. Please join the large community of families who come together to enjoy and support this canine playground. Our park is completely user funded, so everything you see in the park is paid for by users like yourself.

Purchasing a yearly membership is the least expensive way to use the park. Day users pay \$1 per visit while an annual park membership entitles your family to 12 months of unlimited park access (dawn to dusk) with no entry fee or other charges.

The park is run by the Peachtree City Dog Park Association, a non-profit (501c3) organization under contractual agreement with the Peachtree City Government to operate the self-funded park. The association is managed by a board of 6 volunteers.
